Jaguar Students and Families,

Regular review of grades and communication with your teachers is important to student success. To help that, Hobbs Middle and the SRCSD have many resources available to you!

Some suggestions are:

1. **Focus:** Use the Focus parent and student portal to keep track of assigned work.
2. **Planbooks:** Teachers keep their Planbooks digitally, which give access to lessons and materials for lessons. All make-up work should be found through your teacher's Planbook (<https://www.hobbsmiddleschool.com/faculty-and-staff>).
3. **Teams:** Many teachers are utilizing a Class 'Teams' for make-up work. Teachers have been training students on our 'digital days' to utilize 'Teams'.
4. **Contact your teachers:** E-mail addresses for teachers are located here: <https://www.hobbsmiddleschool.com/faculty-and-staff>.

We are here to help! If you need anything, don't hesitate to let us know. 😊
