NICOTINE ADDICTION  
SWAT

### SWAT

SWAT meets May 17th for our end of the year party! We will use the 24th as a backup if we need it.

Fun Fact  
May 12th is  
national nutty  
fudge day!

### Koger's Korner

Students, finish strong! FSA testing is winding down. We have just over a week left. Teachers are beginning to review for semester exams. Make sure you're preparing on your own as well. Take advantage of any ZAP days, and turn in any missing or incomplete work as soon as possible so teachers can update grades. If your grades aren't where you'd like them to be, talk to your teachers to see what you can do to create the best possible outcome for the year. Don't get discouraged or feel like it's too late. Last weekend, a horse with 80-1 odds of winning shocked the world on the last lap of the race, when he came from the back and won the Kentucky Derby. It's not over yet; you can do this!

### Gaming Club

Gaming Club's last meeting will be May 18th.

### Book of the Week

This week's Book of the Week is That's NOT What Happened By Kody Keplinger. This is a book about the aftermath of a school shooting, and what really happened to a girl everyone considered a martyr. This is for readers who like mystery novels.

### Library Books

Please begin returning your library books. The end of the year is rapidly approaching! Make sure to get those books turned in ASAP.
