**APRIL IS THE
MONTH OF THE
MILITARY CHILD**
we celebrate the military child!

Month of the Military Child

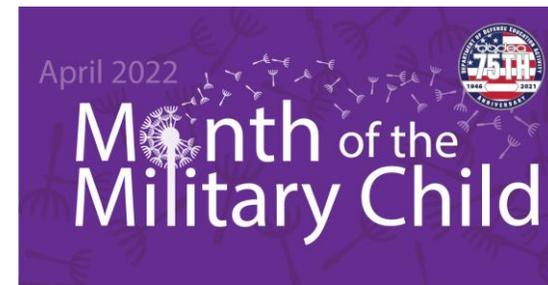

April is the Month of the Military Child. HMS is so fortunate to have Ms. Cox here to work with our students. Check with us each week in April for ideas to support our military students, and wear purple on Wednesday, April 21st!!

Koger's Korner

April is designated as the Month of the Military Child, underscoring the important role military children play in the armed forces community. Sponsored by the Department of Defense Military Community and Family Policy, the Month of the Military Child is a time to applaud military families and their children for the daily sacrifices and the challenges they overcome. Hobbs Middle School is fortunate to have several military children. While we always appreciate their sacrifice and service to our country, we want to set aside some time to specifically recognize them this month. Please join me in wearing purple on April 21st!

BOOK GEMS

Book of the Week

This week's book of the week is Tentacle and Wing, by Sarah Porter. This is a good book for readers who love books about animals and stories about fitting in.

Because being human is a hard lesson to learn, and you really have to start young and practice constantly if you're going to stand a chance of getting good at it.

Teacher Tea

By Tristan C., Caitlin B., and Brooke B.

Mrs. Feinberg

Mrs. Feinberg is an 8th grade ELA teacher, loved by many. She has been teaching here at Hobbs for about two years and says that she has always wanted to teach. She told Teacher Tea, "People don't pay as much attention to things you're insecure about than you think." Thank you so much Mrs. Feinberg for being such an amazing teacher!

Fun Fact!

The unsinkable, well sunk! On April 14th, 1912, the Titanic strikes an iceberg and starts to sink! The following morning around 2 am the ship sank to the bottom of the ocean and has been there for 110 years!

Tiger Woods Jumps Up in World Rankings After Masters

Tiger Woods made his long-awaited comeback from injury at last week's Masters, and, while he finished 47th, his performance was enough to see his world ranking leap by over 200 places.

The fact that Woods played at all last week surprised many. After all, it is only two months since the 15-time Major winner declared he had "a long way to go" in his recovery from leg injuries sustained following a horrific car crash in February last year.
